### From the desk of Carol Kinkle (HACC Director)

As December comes rapidly upon us, we realize it is hard to remember that we are nearing the "holiday" season. If it weren't for the fallen leaves and bare trees we could be forgiven for not being sure of the calendar month or day. Since March, every day just seems to run into another without a big difference. My question is..... what can we as Christ followers do to change this for even just one person?

With Thanksgiving, Advent and Christmas and New Year's Day hot on the heels of one another, shouldn't we all be looking for some way to show the love of the season to family, friends and strangers? The gratitude in our hearts for the many blessings received should be expressed daily regardless of the calendar day. Sometimes, we need to take time to really look hard at our lives to realize how blessed we truly are.

Christmas Day should also be a gift that we see as a journey that proceeds from the fulfillment of the promises of the coming Savior through the Virgin birth through the Glorious Easter Resurrection followed by the Ascension and the promise of a return "in the same manner as you have seen him go." (Acts 1:11)

As we prepare our hearts and minds for the coming of Christmas, let us look around us and see our neighbors in need. There are many types of need; the obvious physical needs of food, clothing and shelter, then the subtler needs of prayer, friendship, communication such as a phone call, a note or a card or even a visit if possible in this covid19 world. Loneliness can be a silent killer of not only someone in the later stages of life, but also young people. Please don't think because a person is young that they don't need the same thoughtfulness as a senior. Whether a Christ follower or not, everyone could use some extra thoughtfulness and prayer during this time between Thanksgiving and New Year's Day.

Going into the New Year I may make some resolutions this time. I am not big on the practice since "the spirit is willing but the flesh is weak." This year I feel as if I might be mature enough to follow through! It's been a long time since I read my way through the Bible and I want to do that again. I want to pray Every Day for Everyone on my prayer list Individually. I want to live by my 2 favorite verses - "Pray without ceasing" (I Thessalonians 5:17) and "I can do all things through Christ who strengthens me." (Philippians 4:13)

I don't want to end irreverently but I also resolve to clean my desk, my gift to my office staff.

May you all have a Joyous Christmas and a Happy New Year! May 2021 be better for all.

## *From the desk of Rev. Nancy Werner (Council President)*

**"... but it will be different this year."** Since this pandemic began, I have heard this phrase frequently on the radio, in committee meetings, and in conversations among individuals. I have read this phrase in online blogs, newspapers and church newsletters. This phrase is very much part of conversations in our families, our churches, our town and here at HACC. As we approach the holy time of Christmas, this phrase continues to be spoken often.

"...but it will be different this year" is a part of our Christmas preparations like the nativity scenes, poinsettias and candy canes are part of our decorations for our celebrations.

As we gather, in whatever form that happens to be, our celebrations of Christmas center around telling the same story about our God who loves us so much that God came to us, as one of us, the baby of Mary and Joseph, so that we would be rescued, restored, redeemed, renewed, and reconciled.

This is the love in which we are grounded as people of faith! This is the love in which we are rooted! St. Paul eloquently wrote to the Romans that this love is holy and everlasting. He wrote, "For I am convinced that neither death nor life, nor angels, nor rulers, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation will be able to separate us from the love of God in Christ Jesus our Lord." (Romans 8:38-39)

This love of God is our source of life, our source of strength and perseverance, and our source of joy in the midst of "all things different" this year! It is this love of God that has gotten us this far, to this day and will keep us going in the months ahead! It is this love of God we will celebrate once again on Christmas! Each time we see or hear "...but it will be different this year" may we be reminded how this holy and everlasting love of God came to us in our Lord Jesus Christ AND how vital this love has been for us during the past year.

Yes, our Christmas celebrations will be different this year and because of this difference I pray we may receive in a new way or experience on a deeper level in our hearts, this life-giving and life-saving love of God that came down from heaven for each of us!

Take good care of yourself and each other! Share the holy, everlasting love of God with one another! Or as Jesus said, "Love your neighbor as yourself."

Merry Christmas!

Rev. Nancy Werner

## Thank You!

Have you ever received gifts where “Thank you “is just sooo inadequate? You just knew that the Lord had blessed you so gloriously that it was hard to contain yourself. It was as if Christmas came several days each month because the blessings kept flowing. Everyday has become a praise day here at the Hanover Area Council of Churches. The people of Hanover have been very generous in troubling times.

In a Covid19 world, our ministries had to undergo some major changes. Foremost among those were the changes in the preparation and serving of the Provide-A-Lunch meals every day. We had to make a paid position for someone to head up our PAL ministry. The method of service to the community became a To-Go system. All our supplies became disposable items and our fruit individual portions. During the course of all this happening our walk-in freezer needed major work. The extra cost of cleaning supplies, gloves, thermometers, and masks mounted up; and yet God blessed us with generous people who gave us gifts of funds designated for covid19 expenses as well as individuals and organizations who made many masks for our workers including kitchen, shelter, and Meals on Wheels.

The donations of food from restaurants for our lunch ministry and businesses that purchased restaurant meals for our shelter, MOWS, and PAL ministries were such a blessing to everyone. Our Changing Lives Shelter is only at 50% of individual occupancy along with two family rooms. We had lost many of our volunteers with the shut downs, although some have returned, we have incurred extra expenses using paid staff during usual volunteer times.

Even though Covid19 closed schools in March, we were blessed to be able to serve the elementary children of Hanover School District with weekend meals through June thanks to the school administration. We served 275 students weekly 7 meals /weekend with your gifts of food and donations.

The Lord has allowed us to fulfill our purpose here at the Council through the generosity of so many: individual donors, churches (both Member and non-member), school districts, local Service Clubs, local Foundations, small businesses and large corporations.

I honestly believe when we are doing the work the Lord has appointed us to His blessings will abound and His purpose will be served. We cannot thank all of you who have supported us this past year through this pandemic with funding, gifts and supplies and the strongest of all your prayers.

We know we have a building in need of repairs and a community in need of assistance they didn't anticipate and changes coming for which we are not prepared, but we also know that we have and serve a Lord who is greater than all that is ahead of us. Please continue to support our needs and those who come seeking help and to hold us in prayer as we hold the Greater Hanover Area in prayer and put our trust in God as He knows the end from the beginning.

In a horrible year of 2020, we have many reasons to give thanks and praise to God for all of you!!!!!!!!!!

In Christ's Name,

*Hanover Area Council of Churches and All of those we Serve*

*Merry Christmas*

### *A Meaningful Gift*

As we approach Christmas, we think of giving to others. We trust that our gift will be meaningful and helpful. One way each of us can give a meaningful gift is to leave a lasting legacy of feeding the hungry, sheltering the homeless, helping the less fortunate and changing lives. One can leave a lasting legacy of helping others by including HACC in your will, trust, estate plan or beneficiary of a life insurance policy or retirement plan.

There are several common ways to structure a charitable gift to HACC. You can specify a specific dollar amount from your estate, insurance policy or retirement plan for HACC. It can be as simple as: "I give, devise, and bequest to Hanover Area Council of Churches in Hanover, PA the sum of \_\_\_\_\_dollars (\$\_\_\_) for its general uses and purposes."

Another way is to leave a stated percentage: "I give, devise, and bequest to Hanover Council of Churches in Hanover, PA an amount equal to \_\_\_percent (\_\_\_%) of the value of my estate or some account e.g. retirement, investment, insurance policy, savings/checking, etc. account."

Please let the Council Office 717-633-6353 know if we can provide more information to you or your advisor(s) about including HACC in your will or estate plans. — Kenneth Wenger, Funding Committee
