A letter from Carol Hinkle HACC Executive Director

During the Lenten Season it has been the tradition of many to “give up” something that may or may not be really important to everyday life. Some people are very sincere in abstinence and sacrifice. I would like to share what I have learned not having come from a tradition that observed Lent in this same manner.

Instead of giving up something like dessert or chocolate, Lent was a good time to add something to the daily routine. Whether you are adding an additional time for devotions, more and deeper prayer, or just time to sit and meditate on what the Lord has shown you in your daily reading, there is much to be gained by adding it to your lives. If you still want to give up something, give up some of your time to help those in need with a kind word, a handwritten card of encouragement, an hour of your time to run errands, or a homecooked meal to share with someone.

There are so many small things that are such a blessing to a recipient and cost little or nothing to give. If we determined to do this each week or twice a week our lives would be so much richer as we share the love of Christ with others. The more we do through love, the more we are able to reflect the love of Christ as a witness to others. In a COVID world, this may be a little more difficult and need more planning than pre-pandemic. On the other hand, there may be even more opportunity for prayers, cards and phone calls to those who may feel isolated and lonely. The pandemic is terrible, but there may be an opportunity to all who love the Lord to share that love in a new or different way.

I would like to point out to anyone who would be interested that there is still plenty of opportunity to serve the Lord in our ministries through the Hanover Area Council of Churches. If you wish to help with PAL, MOWs, Ruth's Harvest, Clothing Bank or Changing Lives Shelter, we are using safe practices: social distancing, temperature checks, handwashing and masks worn at all times. Numbers are limited for the number of people shopping in the Clothing Bank, staying in residence at CLS, or entering to receive a carryout lunch. People cooking and filling carryout containers stay in the kitchen with no contact with those receiving meals. We do everything we can to keep our volunteers safe from COVID.

As the Lord gives opportunity, let us all seek more way to experience Him and share Him in a world that needs the love of God more than ever.

From the desk of Rev. Nancy Werner (Council President)

Thank you to the pastors, the musicians, and the technical wizards whose efforts are creating a community Good Friday worship service online! It would only be an observance of betrayal and suffering except that Jesus' love for all people (the reason Jesus endured it all) didn't start or end on the cross. Jesus' love is rooted in or has its origin with God the Creator at the beginning of everything. Its ending is also in the hands of God the Creator who promises that we will never reach its ending.

It would only be an observance of betrayal and suffering except that Good Friday is one of the Three Days recalling Jesus' own words to his disciples that he would be handed over to death, and that "after three days he will rise again" (Mark 10:34). The Good Friday service is part of the journey beginning on Maundy Thursday and going through the evening on Easter Day; a journey with Christ through death into life.

When we walk with our Lord Jesus through the Three Days, there is more than suffering and death. There is forgiveness, salvation, and love! Good Friday reminds us of the cost Jesus paid for our forgiveness and salvation! I invite you to our Good Friday worship online and hear again how Jesus makes it so that nothing "...in all creation will be able to separate us from the love of God in Christ Jesus our Lord!" (Romans 8:38).

****For further information regarding Good Friday Service, please email: adminhacc@hanoverareacouncilofchurches.org; check out our Facebook page or contact your local church.**

Meals on Wheels News

Two-person teams are needed Monday through Friday to drive and deliver meals from 11:00am — 12:00pm. Please call (717)633-6353 and ask to speak to Laura Zimmerman, Coordinator.

If you are a current volunteer and have moved or your phone number has changed, please notify the Coordinator. If you have an email that you wish to use as your means of contact, please let us know!

Meals on Wheels Donation Request

As you know already, we deliver meals to the elderly and ailing Monday through Friday to nourish the body. Occasionally, we try to include a word search puzzle or a brief passage from Holy Scripture to nourish the soul. Our recipients look forward to these small things to brighten their days.

The next time you visit the Dollar Store, consider picking up a couple of the following items, marking them MOWs and dropping them off at 136 Carlisle Street. We hope that through your contributions, we can make this a meaningful, nourishing Lenten season.

Small Calendars	Devotional Books	Word Searches	Adult Coloring Books
Colored Pencils	Pencil Sharpeners	Easy Crossword Puzzles	

Meals on Wheels News ... continued

It is with a heavy heart that we announce the passing of Dolores R. Albright, 99, on Tuesday, February 16, 2021. Dolores was passionate about helping others. She was the original volunteer coordinator of the Hanover Area Council of Churches Meals on Wheels program, and continued as our volunteer coordinator for 16 years. Her community service also included more than 40 years as a hospital Gray Lady volunteer, a member of the Hanover Community Chorus, served as a local President of the AARP and volunteered for decades as an election poll worker.

At Trinity UCC Dolores served as a Deacon, head of the music committee, and a member of the choir for more than 50 years. In 1985, the Exchange Club of Hanover honored her with the Golden Deeds award, presented annually to an outstanding citizen of the Hanover area.

Our Friend will be greatly missed by the Hanover Area Council of Churches.

Volunteers are the Heart of HACC

March 2021 Volunteer Highlight

Sandy Danner

Sandy Danner joined PAL (Provide a Lunch) as a volunteer after our Director, Carol Hinkle, visited St. Matthew's Lutheran Church to share our need for volunteers. She became a PAL helper in October 2019 – PAL is responsible for preparing approximately 150 meals a day for the public, Meals on Wheels recipients and Changing Lives Shelter clients.

Sandy had recently retired and wanted to give back to the community – she was surprised to learn about all the services Hanover Area Council of Churches offered and was searching for a way to turn her “eyes and heart to what really matters!” Sandy has enriched the lives of all her fellow volunteers by her example of kindness and gentleness and her rigorous work ethic.

Sandy times her hours in the kitchen with our delivery days from local grocery stores. We receive a variety of items, from fresh produce to baked goods, fruits to desserts. In addition to chopping, slicing and dicing materials for salads, a favorite of our clients, Sandy takes home other vegetables that are abundant, cleans and prepares them, and returns them to our walk-in freezer for later use.

Sandy really cares about her work and knows that she is doing something meaningful amidst fellow Christians. She always has a bright attitude, a friendly smile and a gentle, uplifting word.

Thank you Sandy for your generous service and God Bless You!

Encouraging our Community

Brownie Troop 81731

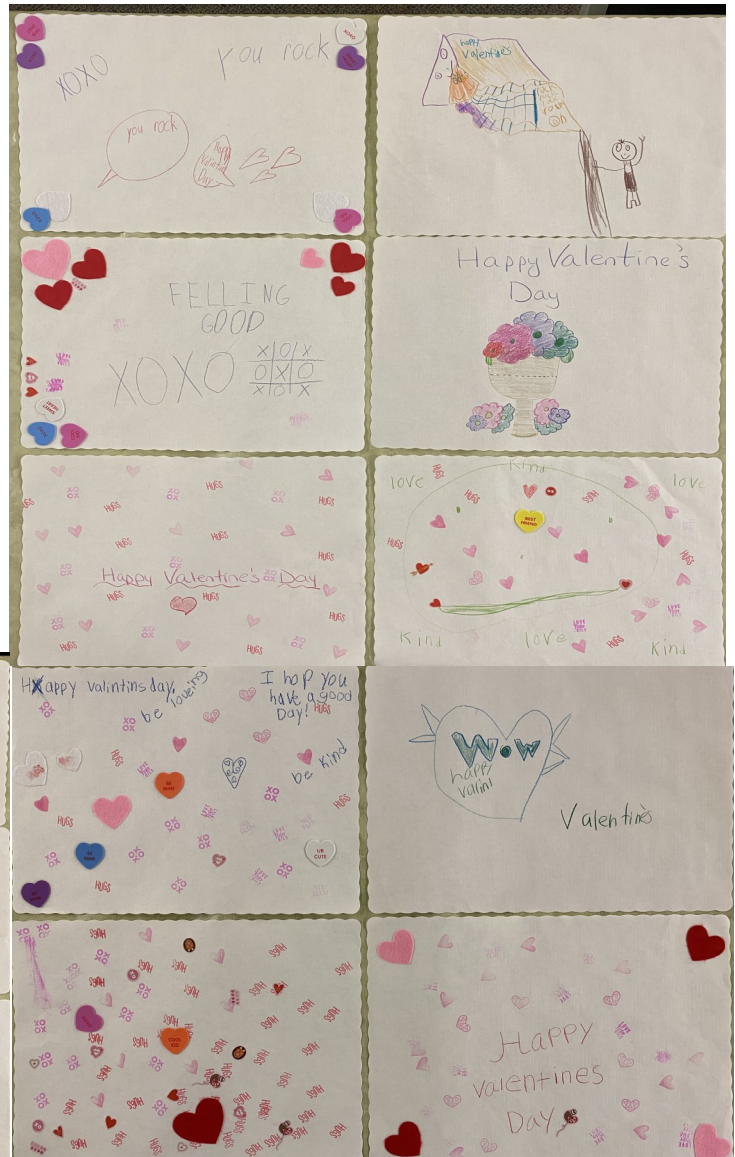

St. Joseph Brownie Troop #81731 had the privilege of collecting and crafting over 500 pudding cups for the Hanover Area Council of Churches PAL and Meals on Wheels programs.

The troop was so excited to help, they decided to hand craft 50 Valentine's placemats. These placemats had unique drawings, poems, and encouraging words on them. The goal was to "share love with others."

Some of the Brownies were able to take a tour and discovered other ministries that are available to our community. They were so encouraged, that they shared the message with others in our troop and have come up with more ideas to help in the future!!

Thank you for allowing us to serve!!

Ladies Uplifting Ladies United ("LULU")

LULU was founded by a young woman, Mary Heath, who set out to create a brand that wasn't afraid to uplift women of all ages, race, ethnicity and religion. We are a faith based, not-for-profit organization with our community in mind. Our sole purposes are to encourage, build self-esteem and empower each woman, one purse at a time.

With support from our friends, family and local businesses we are able to aid many women in need by collecting gently used and new purses, along with an array of travel-sized items to fill each purse. Over the years, it has been our honor to gift LULU filled purses to women of our Community and beyond, free of charge. Gifting purses from one woman to another.

Periodically, we hold events for women to gather together, have an evening to celebrate each other, speak freely and exchange resources. All are encouraged to email or Instagram for further information to donate goods, make a monetary contribution, recommend a recipient and stay up to date with our events.

It is our privilege to welcome you to our LULU family and we look forward to your continued support.

God Bless!
