## CHRISTMAS MESSAGE

From the Desk of the Interim Executive Director

As we celebrate God's love and His greatest gift to humanity, the gift of Himself in the Christ Child at Christmas, may we always be reminded to share our love and the gift of ourselves with those among us who are less disadvantaged. So often, they face the pain of isolation and loneliness, and these feelings are easily elevated during the Christmas season when our population in need find themselves without the opportunity to share the joy of the season with loved ones. Whether isolated by circumstance of illness, substance abuse or family dynamics, these individuals need and crave our presence to help them come to a celebration of the true meaning of Christmas.

We can be that gift of God to them. We can be that Christ Child in the manger made flesh to them. We can be the "glad tidings" that the angels sing of – when we socialize or visit with them and show our love to them. Whether known to us or strangers we have yet to meet, we can bring the Spirit of Christmas alive in their hearts.

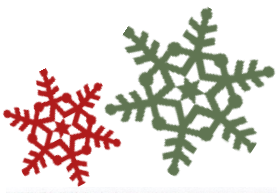

So, let the greatest gift we give this year be the gift of ourselves to someone who is lonely. Give ourselves, even if for a brief few moments, to someone who will find joy in the light of our presence to them. Be that gift that brings the greatest smile. That brings freedom from the hidden pain of isolation. Take time to share this Christmas with someone homeless, an elderly friend, neighbor, stranger, parent or grandparent and that same spirit of the joy of Christmas will then come so alive within our own hearts.

We at the Hanover Area Council of Churches, whose mission it is to bring peace and healing to those among us who need assistance during the struggles of homelessness, hunger, and counseling, wish you and your loved ones a very peace-filled and joyous Christmas and a New Year filled with happiness, love, and a newfound joy in your relationship with a friend or family member in need. May the Christ Child, born in the humility and isolation of the stable, stir our hearts to bring His love to so many others in need of joy and peace this Christmas and throughout the New Year.

God bless you with peace and all good things,

Mirna Wildasin

*One Body • One Spirit*

Everyone looks forward to retirement so they can do as they please and at times, DO NOTHING! But when you were as active as this couple, RETIREMENT can become BORING until you find something to do with ALL THAT EXTRA TME!

That was before Frank had a conversation with a neighbor friend, John Nickey about his boredom when suddenly John said: “Mr. Frank, I have the perfect solution to your dilemma!” And with that, Frank applied for the volunteer position as Director of the P.A.L. Program at the Hanover Area Council of Churches. Any time this couple can work together they are happy, so, Hazel joined him and served in many ways. This was the beginning of a time of service, satisfaction and fulfillment under the leadership of Ms. Carol Hinkle whom they will always cherish.

During a meeting at St. Matthew Lutheran Church in 2013, Pastor Kate Shroeder, outlined a new program she was interested in starting through the Hanover Area Council of Churches, entitled: RUTH’S HARVEST from the BOOK OF RUTH in the bible where the Israelites commanded the workers to leave the edges unharvested so people without means could glean food with dignity. The whole idea of Ruth’s Harvest is to provide FREE BREAKFAST, LUNCH AND DINNER to needy students in all Hanover Elementary Schools.

*Continues on next page.....*

Pastor Kate said something to the effect she needed someone to lead the effort. Hazel will always be ready to serve if someone would ask but that night her hand went straight up, and she almost screamed: “I’LL DO IT!”. It had been a long time since she was that excited, about anything except her grandchildren. She told me later that seemed to be the perfect opportunity to give back to the children. If she could not teach, this was another way to work for the children.

Before we could spell HELP, two unbelievable ladies, Claudia Hudson and Deb Seibert volunteered to help as co-coordinators. That threesome along with teams from several area churches created a magnificent mission within the Hanover Community. In the beginning Ruth’s Harvest served about fifty children from all three schools. Soon the word became known, and the numbers grew. Within 2 years, the Ruth’s Harvest Ministry was serving 200 PLUS families every week. They were receiving food and monetary donations from many area businesses, private donations, and several congregations even provided “DROP BOXES” within church building.

In 2015, Frank and Hazel were surprised and humbled when they were honored with the ROBERT J. SMITH GOLDEN DEEDS AWARD for their work with the Hanover Area Council of Churches—Ruth’s Harvest, the TOUCH OF LIFE PROGRAM, as well as their efforts in organizing a GRIEF ENCOUNTER GROUP for the area. The school year 2021-22 began on time with Claudia and Deb as leaders with some of the church teams from the 2019-20 school year. We are hoping more volunteers will form additional teams to pack and deliver the meals each week. We pray you will continue to support this vital school ministry with your food and monetary gifts!

Frank is back to good health because of your prayers, the loving care of Hazel, and he is excited to return to working with Ruth’s Harvest. Hazel was doing a superb job of returning to good health when she raised the bedroom window about four weeks ago when she suffered five compressed discs and is now awaiting for surgery. Frank is asking for prayers so one day they can continue the work together outside the home as they do at home.

***The Widows Mite***  
***Mark 12: 41-44***

It is the most blessed time of the year, because the Savior came to earth to give us the ultimate gift, his life. As volunteers, we will go caroling to share our love and joy with all our fellowmen in Hanover.

In addition, we are trying to encourage every household in Hanover to bring one small item to the Hanover Area Council of Churches to help with two of our ministries: the Clothing Bank and PAL lunch. We are highlighting these two ministries this month and collecting donations all of December.

Please put your donations in the crates in front of our building between 9-1, Monday through Saturday. Then put a pin on the map on the street where you live. Keep your eyes on the thermometer in our garden to see our progress!

Hanoverians know that “It is more blessed to give than to receive” – let’s watch the red go up and up together as we celebrate the birth of our Savior, Jesus Christ.

**Please call and ask for Grace Mullen our Volunteers coordinator for more information on these much needed ministries. Thank you for your help!**

**Ask for Grace at 717-633-6353 or via email: [gracemullen3@gmail.com](mailto:gracemullen3@gmail.com)**

***Our Dear Grace Mullen,***

I know you have expended a great deal of personal effort in serving on the various top important corporate issues of the Hanover Area Council of Churches during the past seven months along with me and our precious staff. Thank you!

To thank you adequately is impossible. You spent long after hours on various ways to get HACC in our community, sacrificing your personal time for the greater good of our organization’s public relations. Finally, we appreciate your invaluable business expertise and personal communication skills that brought pivotal contacts into our network for mutual benefit.

We appreciate you so very much, Mrs. Grace, your efforts have made HACC a better place for our community to feel more welcome and safer.

Thank you sincerely for all the wholehearted assistance.

## *Caleb's Heart for the Homeless*

Nine-year-old Caleb Harner has always cared deeply about the homeless, frequently expressing his concern about them getting enough to eat and having a warm place to sleep. According to his mother, "Caleb has a big heart and passion for taking care of people. He has always been aware of others and concerned when he sees them in need. He will put the needs of others first and do what he can to help them."

After Caleb toured the Changing Lives Homeless Shelter on Carlisle Street recently with his family, Caleb decided to take on a special project this holiday season. He is attempting to raise enough funds to purchase 35 new industrial mattresses for the shelter (approximately \$5000) and to provide 35 new twin size sheet sets and blankets. Caleb stated that his Christmas wish this year is "For all the homeless people to stay warm and sleep in a comfortable place."

To help make Caleb's wish come true, monetary donations should be made payable to the Hanover Area Council of Churches, with the memo noting Caleb's Heart for the Homeless, and mailed to HACC at 136 Carlisle Street, Hanover. The new twin size sheet sets and blankets can be dropped off at bins located at the Hanover Area Council of Churches and at Hanover First Church of God, 600 Fairview Drive, Hanover, through Christmas.

***Many hands make light work! Thank you to our Monthly Crew that helps our Newsletter get ready to send out! We couldn't do it without you!***

## *Faith at Work*

*We will be forever grateful for their hard work and contributions to our community.*

*With love—HACC Staff*

Faith at Work ministry was started at some point prior to 1986 by Betty Coney. The group originally met in an upstairs room in the Hanover Council building, but parking, stairs and room size became an issue. Betty got permission to move the group to Grace United Methodist Church on Albright Drive. There was a large room and closet available and ample parking and no stairs (most members were older). I do know that a one time they did sew at their meetings and they made bed pads for cancer patients.

I joined the group in 2009 after I retired, at that time we were cutting out bibs, burp cloths and blankets for Tender Care Pregnancy. We also cut adult bibs, comfort bags, water bottle bags, walker bags and lap robes that were taken to Lebanon Valley VA hospital. There were little gowns, hats and blankets made and donated to local hospitals for bereavement of parents with infant/stillborn loss.

By this time, Betty had arranged with a homebound member of Grace church to do all the sewing of the cut items. They were picked up, sewn and returned.

The sewing machines the group used were donated to Mission Central. They refurbish and do any needed repairs, then send the machines overseas, underprivileged families could actually eke out a living with these machines.

Over the years as Betty had to give up driving, she would ask me to purchase needed materials for the group. With her arthritis and age, Betty handed the ministry over to me.

We continued making items for Tender Care and the VA hospital....then Covid hit in 2020 and everything was shut down including churches and the organizations were not allowed to accept donated items. Finally, in the late Spring of 2021, we were able to resume the ministry. A van was filled with items and transported to the Lebanon Valley VA only to be told that they would accept nothing except the lap robes, there was no interest in the other items.

We then checked with Tender Care and found that their bins are full and no one was coming in or calling for items. We did research local nursing and assisted living facilities, but their needs were minimal.

Grace church has done a mission trip to Red Bird Mission in Kentucky coal mining region in Appalachia. We packed up all remaining items for adults and babies and they were taken to Kentucky in October. We do have a box of baby and children's blankets that will be donated to the Linus Project. I explored and found a ministry called "Sweet Grace Ministries" that serves many hospitals in PA with bereavement support for parents with pregnancy related loss. They were glad to receive 2 totes of tiny gowns, hats and blankets.

We figure the ministry had at least a 25 year very productive run and just like many other things were found to be needed because of the Covid pandemic. About 2 weeks before Betty Coney's passing, I was able to speak with her by phone and make her aware that the program was ending, she was OK with that and commented "we had a good run".

## *Two Ways of Giving*

### **Future Gift**

We often think of giving in terms of current income. However, many people have accumulated assets and/or resources other than current cash or bank accounts. Probably most have more value in stocks, bonds, IRA's, retirement plans, life insurance, real estate, etc. than in current income. One way of helping the Hanover Council of Churches (HACC) is to leave a gift through one or more of the above resources. In this way you can provide for HACC's future to continue ministering to those in need.

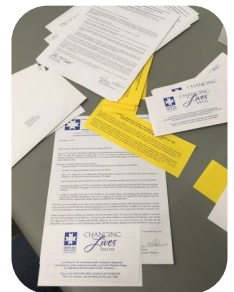

The most common way of designating a future gift is to include language in your will, trust, beneficiary form, estate plan, etc., that leaves a specific amount or a % (percentage) of your assets.

Sample wording could include: I give a \_\_\_\_ % of, or the sum of \$\_\_\_\_\_ from my estate, account, beneficiary form, etc., to the Hanover Area Council of Churches P.O. Box 1561, 136 Carlisle St. Hanover, PA 17331 and Tax ID#23-2354101

### **Current Gift**

One way of maximizing current giving is to give from appreciated stock that you have owned for more than one year because you can claim the current value rather than the original cost. If you transfer the stock directly to HACC, you avoid paying capital gains tax. In addition, if you itemize on your federal tax return, you get the benefit of deducting the appreciated value of the stock and avoiding having to pay tax on the capital gains.

For more information contact your investment advisor or accountant or call the HACC office at 717-633-6353 and talk to Mirna Wildasin.

## *Annual Appeal*

**Our volunteer force has continued to grow this year. They are donating over 500 hours a month serving Hanoverians!**

**At this time we need your help! We cannot continue to serve and grow without your monetary support. Please give generously to our Annual Appeal.**
