## National Child Abuse PREVENTION MONTH

At the Hanover Area Council of Churches (HACC) we take in consideration that every child is a precious and unique gift from God. All children deserve the security of a loving and nurturing home, and we take this as a very important mission at HACC. National Child Abuse Prevention Month is an annual reminder that not every home is a haven of acceptance and unconditional love. Too often, childhood is marred with pain, violence, neglect, and abuse, which can have lifelong psychological, emotional, and physical consequences. At no fault of their own, some children are subjected to the most deprived forms of child abuse and neglect, without reprieve and, sometimes, without any knowledge that they are being maltreated. We encourage adults and organizations in the community to play a vital role in making York County a safer place for children. I am asking you to join forces with us in making a commitment to protect children. Many Blessings, Mirna Wildasin

*Speak up* for those who cannot speak for themselves, and for the rights of all who are **vulnerable**.

# CLOTHING BANK RE-OPENS!

*The Clothing Bank is open and ready for Spring!*

The Clothing Bank Mission remains dedicated to providing clothing assistance to individuals and families in need, promoting dignity, self-sufficiency, and sustainability within our community. It is not just a closet; it is a ministry. By allowing God to use us, we seek to care for others in a non-judgement environment. We extend many, many thanks to staff member Melissa Early for taking the lead with the help of several generous and dedicated volunteers who worked tirelessly to deep clean, re-organize, rotate winter clothing out and bring Spring clothing in.

The Clothing Bank receives donations almost daily and our volunteers take the time to sort, wash, and hang so our items are clean and ready for our clients and customers. We thank the community for thinking of the Hanover Area Council of Churches Clothing Bank and Changing Lives Shelter when looking for places to donate clothing, shoes, and household items.

We invite you to visit us every Tuesday, Thursday, and first Saturday of the month. The Community is encouraged to get involved through shopping during our weekly special deals, volunteering, and spreading the word about our facility.

## Executive Board Treasurer

The HACC treasurer since 2005, Roger Anderson has requested that HACC find a replacement for him, citing additional personal commitments have entered his life that could hinder his availability to perform the duties of the position. The time frame for transitioning to a replacement is flexible.

Attention to detail is a key attribute for one holding this position. Computer usage is required. All of the computer work for this position may be accomplished in the treasurer's home, or in the HACC office, and may be discussed. The amount of time required to perform the necessary duties varies, but 5 hours per week is a good estimate of the time required to perform the work (excluding meeting attendance). Roger is willing to train his replacement. A written job description is available, as well as other instructional aids for performing the tasks involved.

This position is currently a volunteer one; it would be good for the organization if the replacement would continue as such. However, it is increasingly the case that people are resistant to volunteer for such a position. If a replacement volunteer cannot be found, HACC recognizes that the position would have to become a paid one.

Interested candidates should contact the HACC office to discuss the position.
