## *A letter from the Executive Director Mirna Wildasin*

There's nothing more beautiful than to remember a beautiful soul who has left this earth to be with our Lord. But there's nothing much better when the membrane of our volunteers at the Hanover Area Council of Churches has been sealed with a concrete statement that represents love, endurance, and commitment.

An Okame Cherry Tree has been planted in memory of Bob Anderson, who was amazing in making sure that everything that was positioned at HACC was done properly. We miss seeing him so much, but we know his presence will always be among us. Bob's diligence and love towards humanity will always shine on our Okame Cherry Tree.

This tree honors all those who have given their time and love for the cause of HACC.

# MINISTRY SPOTLIGHT

Our Meals-on-Wheels program (MOW) began in 1970 in the Hanover area and is still going strong. MOW has one paid staff member and a multitude of volunteers packing, driving and running meals to a growing number of clients. The service is offered Monday thru Friday.

We are currently serving nearly 50 meals daily, which are organized into four teams of drivers and runners. Deliveries are made between 10:30am-11:30am. These quick deliveries are often the only human interaction our clients may experience on a regular day. This means our MOW program is *more than just a hot meal - it's also a wellness check-in and a reminder they are valued and loved!* Our drivers and runners are very caring and show extreme kindness to the clients in their homes. We have volunteers who take time out to give a couple minutes of conversation.

Not only do we provide lunches, but we make sure our client's pets are fed as well! Some clients struggle to purchase pet food, but with the help of UUG Animal Ministry, we can provide pet food when on hand.

Our MOW Coordinator, Mary "Lu-Lu" Heath is responsible for processing applications of clients, scheduling the packers, drivers and runners, scheduling routes, talking to clients and preparing food baskets for meals. She has been the MOW coordinator since June 2022, and she is passionate about helping others!

Follow our daily MOW process for delivery:

1 - Containers are prepared with a daily message.

2- Our insulated bags are ready for the 4 routes.

3- Our packing team assembling the meal in the containers.

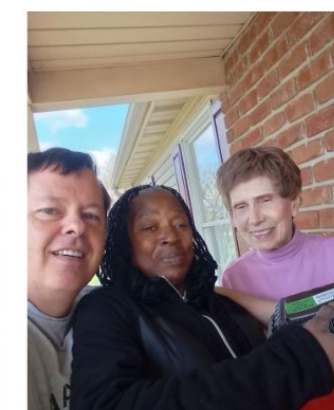

4- The insulated coolers are ready for drivers and runner teams.

5- Cars are loaded and ready to deliver!

THANK YOU!

MEALS-ON-WHEELS

Did you know?

We use approx. 200 clamshell-style takeout containers each week, at a cost of about \$200 each month.

We rely on financial donations for MOW to provide meals to our community! We do NOT charge recipients for their meal.

When MOW must close due to inclement weather, we send alternate options such as canned or frozen foods to supplement.

To receive MOW:

- Age 55+
- referred by Doctor or Pastor
- unable to come to HACC for PAL
- unable to make own meal at home

See our website for the MOW form.
