The name **RUTH'S HARVEST** comes from the Second Chapter of the book of RUTH. During biblical times, when harvesting their crop, farmers would begin the harvest 3 or 4 rows in from the ends of the crop, thus leaving the first few rows for the less fortunate. Ruth made a point of gathering the crop to distribute to her neighbors. The concept of that day is demonstrated through this ministry.

Donated items, including goods purchased from monetary donations, are delivered to Ruth's Harvest.

Everything is sorted onto shelves and into bins for easy distribution on packing day!

For we are co-workers in God's service; you are God's field, God's building.

1 CORINTHIANS 3:9

On packing day, bins are placed in order for simple assembly. Each backpack meal kit is bagged and ready for delivery to the schools.

SPECIAL FEATURE:

Family of Hope

When you donate to the Changing Lives Shelter, you greatly impact and bless the lives of many residents going through struggles and challenging times. Each resident who comes to us has a story. Some come to the shelter because of health reasons, others due to job loss or divorce. With their permission, here is the story of one family, "Hope" currently in our shelter with their three children.

"Hope" was one of six children whose biological parents struggled with alcohol and drug addiction. Placed in various foster homes, then split from siblings, "Hope" was sexually assaulted as a child. "Hope" was adopted and attended 4 different high schools. At age 18, they moved to Virginia to try to rekindle a relationship with their biological mother, which proved unsuccessful. In 2014, "Hope" met their spouse in Virginia, where they both lived and worked and had their first child a year later. They married in 2017 but moved to Pennsylvania in 2018 when one spouse lost their job after neck surgery and the other spouse suffered a vehicle accident with traumatic brain injury. They stayed with family for a short time, but then became homeless, living in their car for over a year. They entered a shelter, where they lived for six months until they were able to get their own place. Soon after they welcomed their second child.

In 2022, they moved back to Virginia and stayed with family until the beginning of 2024. After their third child was born in 2023, one parent lost their job due to post-partum depression and mental health issues. The other spouse worked two jobs until experiencing personal trauma at work, causing depression and eventual drug addiction. They went through rehabilitation and is currently in Virginia staying with friends with the goal of joining the family when their situation becomes stable. They video chat and text daily.

"Hope" came to the Changing Lives Shelter with their three children in June 2024. Without transportation since their car's engine blew, they walked 2 1/2 miles to attend the PAL lunch after visiting the public library. At PAL lunch, "Hope" heard that HACC also offered a shelter. They applied for the shelter and was contacted the next day by Erika Gonzalez, Shelter Coordinator, to move into the family room, which has a bedroom and living room area. In the shelter, the family was given a safe place to live, plus food, toys, clothing, laundry care, personal hygiene supplies, diapers, wipes, help enrolling the oldest child in school, and counseling services to assist in finding a job and an apartment. "Hope" states that the shelter is a peaceful, healing place that gives them stability, a routine, and schedule. It also gives them an address, which is invaluable when trying to get a job, license, or benefits. "Hope" believes that God is working miracles in their family's lives. They have started to pray more and they are attending a local church. "Hope" will attend classes starting in August to obtain a CDL license. "Hope" states the family has gone through a lot and has struggled, but it is getting better.

In addition to needing a job, "Hope" stated that they need transportation and a stroller wagon for the two youngest children, as their double stroller has a hole in the middle.

Thank you to all who donate to the Changing Lives Shelter. You will never know the difference you are making in the lives of our residents like this family. May God Bless You!

HIGHLIGHTS FROM

The Hanover Area Council of Churches shared our ministries with those in attendance of the 2024 Snack Town Street Fair.

We handed out travel cups with our HACC logo, plus children were invited to take a small plant home.

Children were also invited to have their faces painted, plus encouraged to participate in a coloring contest, with prizes of a meal basket or a summer fun basket for the coloring pages selected as winners by our current Changing Lives Shelter residents. The coloring pages featured positive messages, and will be displayed in our shelter for our residents to enjoy!

Thank you so much!

to our Friends at St. Jacob's Stone UCC in Glenville. They donated to PAL and Changing Lives Shelter to honor their interim pastor, Bruce Bouchard, upon his retirement from their church. Rev. Bouchard was the first HACC Board President, serving 1997-1998.

Pictured: Executive Director Mirna Wildasin receiving the donations from Don Miller, church member and HACC Ministry Board member.
